

What does the Nature Restoration Law mean for Biodiversity in Europe?

Professor Emma Lees

UNIVERSITY OF
CAMBRIDGE

Research funded by the Otto Mønstedts Fond and in collaboration with Professor Ole W. Pedersen, Aarhus Universitet

Introduction

Member State
obligations

Three puzzles

Allocation of
responsibilities

Six Obligations in the NRL

Habitats
Improvement
Obligation

Re-Establishment
Obligation

Species-Specific
Habitats Obligation

Continuous
Improvement
Obligation

Non-Deterioration
Obligation

Pre-Emptive
Obligation

Three Puzzles

Prioritisation between obligations

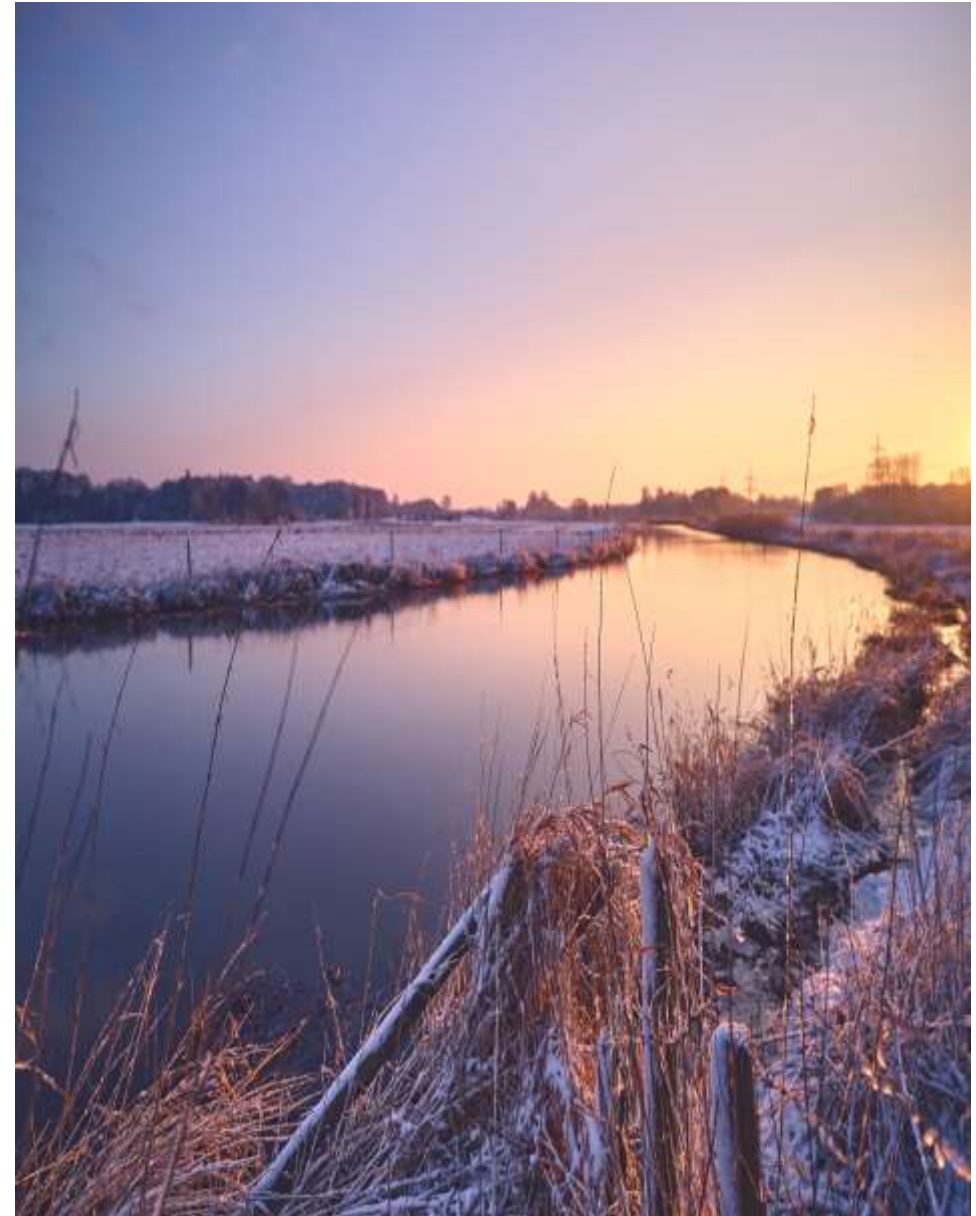

What is to be “re-established”?

Climate-related habitats loss

Conclusions

- Who decides, matters
- Plan focus
- Enforcement

Thank you for listening.
